

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 25, 1996

SUBJECT: **SB 2528 - HB 2572**

This bill, if enacted, will make the Board of Medical Examiners, now in the Department of Health, an independent board in state government.

The fiscal impact of this bill is estimated to increase state expenditures by \$119,000 for additional staff and administrative expenses in addition to staff transferred from the Department of Health to the independent board for administrative, investigative, legal, computer and revenue collection activities. The fiscal impact is also estimated to increase state revenues by \$119,000 because by statute board fees must equal board expenditures.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
